# Hello everyone. As many know I have recently been attacked for speaking out and trying to demonstrate the corruption within the Deep State. Anyone on Twit or social media is no stranger to attacks. But this attempt to divide and corrupt is insidious, hidden, and well funded.

As they often do the bad actors will overplay their hand and eventually expose themselves. They come dressed in sheep's clothing, commiserate, insinuate, control, then destroy. Then their infection moves on.

Due to the recent filing of a federal lawsuit by Ms. Attkisson, and especially my response and counter, their are many new eyes on the situation. This has uncovered even more of their attacks.

Recently Lyndon made two small donations, one to my Rally account and one to General Flynn's defense account. One after another using the same card. He received fraud warnings on his card about both accounts.

Please let me say thank you to Lyndon and to everyone who was able to help myself, General Flynn, and others. It is greatly appreciated and sorely needed.

It was Lyndon's problem and fraud alerts that set off the bells and whistles, and it was the "new eyes" which made the connections.

This group is directed, and financed by, the Deep State. They attack Patriots online by infiltration. Act as supporters, gain confidence/control, then sow the seeds of doubt publicly while their group attacks behind the scenes as well.

What triggered the investigation was Lyndon and his identical fraud alerts, from the same people, same false claim, on more than one account. These DS involved players actually make small legitimate contributions to the accounts, mine, General Flynn, etc.

so they have the legal basis to make false claims and flag those accounts to the credit card companies thereby affecting, and decreasing, much needed donations. General Flynn's account has already been severely limited.

Publicly they continue the attacks on Patriots and groups they have already infiltrated, then like locusts, they smile and move on to the next person/group that is a threat to their Deep State masters.

None of this will deter myself or anyone else that stands side by side with the Lord. Information confirming everything will be coming from multiple sources.

Thank you everyone who has weathered the storm, the doubt, and the outright lies about myself and others. I promise this new lawsuit is only the beginning, the door is open now and I've been Praying for this opportunity for over a decade. Hold me to my promise!🙏

Congratulations, you found the name I worked under. Pretty sure I mentioned that wasn't my real name.😳 I am Ryan White in the suit. Did you think I was dumb enough to give you my real identity? You have just publicity done your best to doxx me and expose myself and my family

to harm. You have even posted the names of people involved in murder, and other crimes, all in a effort to harm me and my family. Ms. Attkisson suit was filed for a specific purpose, and it leads directly into my suit, then into Federal Felony

Judge Sullivan, This weekend, you, and the prosecutors in the General Flynn case, were given your orders by the people who paid to do so. And I know what they are. You were told to render your impartial decision 😳 and sentence General Flynn to at least 3 years suspending

all but 18 months. Why is 18 months the magic number? Because with "good behavior" General Flynn will serve a little over 1 year. And that is exactly what the Dems want. That will ensure that General Flynn will be nice and quiet throughout

Dear Judge Sullivan, It is with a "heavy heart" that I learned of your recent order against General Flynn and the rebuke of his counsel, Sidney Powell. As a judge you have been very critical in the past regarding "Brady violations" by prosecutors. This order is a complete

reversal of your previously held opinions. You sir, have very "weighty" issues upon your head. And to think, your aspirations of a "federal bench" were assured after being appointed by Ronald Reagan. Only to be derailed by that

Everyone let's the highs and lows of the roller coaster we're on get to them. The worst part is it's mainly based off the MSM narrative. We all know it's fake news. Because snowflakes don't see the big picture and celebrate fake news doesn't mean squat.

Day Manfort was indicted Tony Podesta resigned and then less than 2 weeks later closed his own Democratic Lobbying firm. Then hasn't been seen or heard from publicly again (witness protection)? Then Gen Flynn. Indicted for "telling a

Remember, not only were pedophilic code words used in John Podesta's emails between him and other prominent officials, but he was discussing Zero-Point Energy (ZPE) and Extraterrestrial Intelligence (ETI) with folks from the Air Force, Lockheed, and elsewhere. Reconcile.

Was a certain "limited hangout disclosure" going to be tried during a Clinton presidency by the Deep State? Was this psy-op disclosure going to be done to distract from and hide trafficking, pedo-Satanism, and other rampant corruption

It's important to remember that the common arms of 1776 were generally LETHAL at the time, lacking the medical advances we have today. All Americans were trusted with LETHAL firepower, based on the idea that FREEDOM IS PRICELESS. Socialist indoctrination of kids is the problem.

The ACLU, filled with communists, emptied our mental institutions and prisons for a reason, and we see the results in SOCIAL DEGRADATION. Their patient subversion of society paid off, and they almost got their tyrannical socialist
